As this is a major application, there would be a briefing for Committee members from SDC Officers on 19<sup>th</sup> September at 6.30pm at the Council Shop. The application would then be considered at the 21<sup>st</sup> September Committee meeting. As it was considered likely that a number of members of the public would wish to attend this, an alternative venue would be sought.

It was agreed that a supply of bagged salt should be ordered, to be stored at Clutterbuck's (if they are agreeable) and made available to members of the public to address problems on specific areas of highway as needed. The availability of the salt would be publicised, making it clear that the supply is for collection only and must be used on the public highway (including pavements) and not on private drives etc.

**P.11.118. Any Other Planning & Highway Matters for Information or Referral Only**

None raised. The meeting was declared closed at 9pm.
